AN EXPERIENCE TO CREATE MIRACLES FOR THE AGE OF AQUARIUS

Saturday 12 November 2011

4am-4pm

254rm/240rm members

The new Aquarian Age is ruled by awareness, information, and energy. In the Aquarian Age there are no secrets!

Information is available. Finding it is not the central task any longer. In this Age, the motto is "be to be." Real value will come from truth embodied in practical actions and in the internal caliber and qualities of your

mind and heart. The greatest power will be your Word – your consciously projected words.

On the 12th of November 2011, Saturday, we will be hosting a 11 hours, 11 minutes and 11 seconds of Chanting of the Miracle Mantra.
'Guru Guru Whaheguru Guru Ram Das Guru.'

It will be followed by 11 minutes of silence and then food, tea and celebration.

This Sacred Mantra is of humility, relaxation, deep-self healing and emotional relief. It is also known to create miracles.

This Mantra calls us upon the Spirit of humility, love and Grace of Guru Ram Das Ji, King of Raj Yog and Lord of Miracles.

Chanting this Mantra on the 2nd day of the Age of Aquarius will set your Spirit, Mind and Psyche for Love, Self-healing and Miracles. We need it!

Join us to chant this for 11 hours, 11 minutes and 11 seconds.

You can go at your own pace and take breaks when you need it.
